

National Pulmonology Update 2020
“ Virtual Pulmo Connect ”
27th -28th November 2020

Organised by
**Department of Pulmonary
Medicine,**
**Government Medical College &
Hospital, Chandigarh**
Under the aegis of
Indian Chest Society

About the event

Dear Guests,

It is a matter of great pride to announce the upcoming online event “National Pulmonology Update 2020” .

As COVID-19 pandemic is ongoing, all academic events stand cancelled or postponed. During these difficult circumstances, this event promises an opportunity of an online program for learning, and collaboration. The postgraduate students from all departments are welcome to present their work in the form of oral or poster presentations; this will be an ideal platform for fulfilling the preconditions of Medical Council of India regarding mandatory paper/poster presentation for appearing in MD examinations.

This virtual event would not only ensure the safety of the delegates, but also provide greater accessibility and flexibility to enrich their knowledge in a most convenient way.

We welcome all Doctors from Pulmonary Medicine and allied specialties to register and benefit from this event.
