Abdominal cavity continuous with pelvic cavity
Gut suspended by mesenteries

- Branch of aorta
- Aorta
- Kidney posterior to peritoneum
- Ventral mesentery
- Dorsal mesentery
- Parietal peritoneum
- Visceral peritoneum
Blood supply of gut
Effects of adhesion
Intraperitoneal to extraperitoneal
Greater & lesser sacs
T. S. at epiploic foramen T12
T. S. AT Pylorus L1
T. S. at L4
Peritoneal reflections

Root of the transverse mesocolon

Root of the mesentery

Root of the sigmoid mesocolon
Abdominal cavity continuous with pelvic cavity
