**Subject:      Regarding e-appointment software.**

E-appointment software was launched by Sh. Vijay Dev, IAS, Advisor to Administrator Chandigarh Administration on 30-04-2015 and its link, for online registration and revisit, is available on gmch website i.e <http://www.gmch.gov.in>. Patients can register both for fresh appointment or revisit and will be carrying an e-appointment slip/e-appointment mobile message. Those patients, who register online, should be seen in the allotted time. A list of patients registering online would be sent to each doctor through SMS in the morning of every day for information. Medical Record Department would prepare a card of each patient who registers online and will send his file to each OPD through special messenger.

All the HOD's are requested to instruct the faculty/staff working in their departments to comply and make this initiative worthwhile and patient friendly.
