Dated 04-05-2015

Dear Sir/Madam,

In the aftermath of the recent earthquake in Nepal, the Government of India has channelized considerable assistance to the Nepal Government for various purposes. The assistance on the health front is being coordinated by the Ministry of Health and Family Welfare, Government of India.

In this humanitarian endeavour, a number of States in India have also offered assistance in terms of doctors, para-medics, medicines, consumables etc. The personnel/medicines/consumables etc. sent by us should be as per the requirements of the Government of Nepal. The relevant Central Government Ministries/Departments including the Ministry of External Affairs, National Disaster Management Authority and our Embassy in Kathmandu should have the details of the assistance being sent. To facilitate coordinated health assistance to the Government of Nepal and to ensure that health resources sent from India are effectively utilized, you are requested to route the assistance on the health front by your State in consultation with the Ministry of Health & Family Welfare, Government of India.

It is accordingly requested that prior to despatching any health assistance to Nepal you may like to contact the undersigned or Dr. P. Ravindran, Director, Emergency Medical Relief (Mobile No. 09868619799 & email [diremr@gmail.com](mailto:diremr@gmail.com)).

With regards,

Yours sincerely,

(Anshu Prakash)
