physical & psychic VIKAS of every human being

SAB KA SAATH - SAB KA VIKAS

Through yoga & meditation, cultural, sporting & social activities has the full potentiality to reduce rate of rape, gang rape, molestation. But our Capitalist dominated socio economic system does **not** give time and opportunity for physical & psychic VIKAS for every human being and citizen. Corruption, rape, gang rape, molestation, crime, illicit trafficking are the unavoidable result of poverty, extreme socio economic & Job crisis and downfall of human mind and behaviour. strict law is very necessary but how only by creating strict law will control human body, mind and strange behaviour and bestial propensity. ie rape, gang rape, molestation?
