Charter of Demands.

1. Reinstatement of relived faculty members of CCET.

Sir, Chandigarh College of Engineering and Technology-Degree wing was established in 2002. The teaching faculty and non-teaching staff are working on contractual basis since 2002. The 100% contractual teaching and non-teaching staff on Degree Wing has worked hard Together for contributing this institute to a respectable position. Six faculty members of CCET Degree Wing were relived from their duties w.e.f. from 01-01-2016. Since then requests were made for adjust the relieved faculty members against the vacant contingency posts (20Nos.) approved by the Chandigarh Administration. But till now no adjustment made by the College authorities. It is very discouraging for the contractual employees who have worked so hard for the institute for so many years and get replaced by regular recruitment. In view of above you are humbly requested to intervene in the matter to adjust the relived faculty.

2. Comprehensive secured policy for contractual employees. In this regard the Chandigarh Administration has been already formed a committee under the Chairmanship of Deputy Commissioner Chandigarh.

3. Policy of the regularization of daily wage/work charge employees should be implemented for all the employees who has completed 10 years of service on 03-04-2014 (Date of judgment) and increase the salary/allowances of daily wage employees at par with regular employees as decided by the Department of Personnel vide his UO No. 28/64-IH(7)-2015/2666 dated 23-12-2015.

It is also pertinent to mentioned here that till date this policy is not implemented in Regard to sweepers working under U.T. Panchyats.

4. The decision of Punjab Govt. regarding the salary (Basic pay) of new appointed Employees through direct recruitment should not be implemented in U.T. Chandigarh in regard to the daily wage workers who are brought on regular cadre against direct quota posts and their pay should be protected.

5. Filling up of vacant post in all the departments of U.T. Administration and M.C. Chandigarh and creation of new posts to met with increased work load.
