D.O. 434/1/2016/ERS/512  
Dated: 26<sup>th</sup> August, 2016

Subject: Special Summary Revision of Electoral Rolls w.r.t. 1<sup>st</sup> January, 2017 as the Staff to fill up vacancies & Ban on Transfers / Postings.

Chief Electoral Officer  
Diary No. 188  
Dated 8/9/16  
Union Territory, Chandigarh.

Dear Sir,

Adml. C.E.O.

As you may be aware the Commission has announced the schedule for Special Summary Revision of Electoral Rolls with reference to 1<sup>st</sup> January, 2017 with a view to preparing accurate rolls, inclusive of all eligible persons as electors. Further, in the process, names of dead/shifted or otherwise disqualified electors are required to be deleted and particulars of electors corrected and updated. The focus is on registration of new age voters and the missing voter esp. in the category of PWDs, gender and other vulnerable and marginalized sections of the society. Defect free and updated electoral rolls are the bed rock of the electoral process.

2. The revision process has a number of pre-determined activities which need to be completed within pre-fixed time lines and as such for the revision of rolls the Commission expects enthusiastic participation of the public and full involvement and cooperation of political parties, rural and urban local bodies, NGOs etc. It is a massive exercise in which the entire election machinery from CEO/DEOs/EROs/AEROs supervisors to BLOs level takes post.

3. A copy of the Commission's letter No. 23/2016-ERS(Vol-III), dated 12<sup>th</sup> August, 2016 approving the schedule for the Summary Revision of the Electoral Rolls with reference to 01.01.2017 as the qualifying date is enclosed for your reference. The CEO shall bring to your notice immediately in case of any change is made in the schedule of Summary Revision.

4. As expected by the Commission, kindly ensure the following:-

(a) **Provision of adequate staff**

All existing vacancies of posts relating to electoral rolls work, like AEROs, EROs and DEOs, if any, should be filled up immediately. The CEO of those State/UT is being directed to bring to your notice the list of vacancies.

The Commission has already issued several instructions for strengthening of infrastructure deployment of manpower in office of EROs/DEOs and CEO. In view of forthcoming revision in the State provision of additional staff and infrastructure wherever required, may be made in office of the above officers.

If it requires strengthening of ERO/DEO or CEOs office by provision of additional staff in all wings of the same should be provided immediately. Your attention is further invited to ECI Instructions on minimum staffing pattern.

(b) **Ban on transfers of officers and staff engaged with revision of roll**

Under the provision of the section 13CC of the Representation of the People Act, 1950 any officer or staff employed in connection with the preparation, revision and correction of the electoral rolls shall be deemed to be on deputation to the Election Commission for the period during which they are so employed and such officer and staff shall, during that period, be subject to the control, superintendence and discipline of the Election Commission. Transfer of officials engaged in roll-revision work during the period of revision adversely affects the work and the quality of revision process. Hence, the Commission has directed that no officials connected with the exercise of revision of electoral rolls like the District Election Officers, Deputy District Election Officers, the Electoral Registration Officers and the Assistant Electoral Registration Officers etc. should be transferred from their places of posting without the prior concurrence of the Election Commission during the period of Special Summary Revision in the State.

(c) **Posting of substitute officers**

If it becomes absolutely essential to transfer any officer like EROs/DEOs etc, a reference giving full justification should be made by State Government in consultation with and through the State CEO for consideration of the Commission. The transfer of AEROs and below level officers/officials including BLOs can be decided by the CEO at his level. This applies to filling up the vacant posts of these categories also. The CEO shall also invariably be consulted while posting substitute officer. The CEO should consult the Commission, where felt necessary.

(d) **Restriction on deployment of certain officials**

No officer/officials (i) against whom the Commission has recommended any disciplinary action and the same is pending, or (ii) to whom major penalty has been given as a result of said disciplinary proceeding, or (iii) against whom a serious criminal case is pending in any court of law, or (iv) who was transferred out during any previous revision of rolls or

conduct of election for inefficiency or willfully violating the ECI directions shall be associated with work relating to revision of rolls. In case of doubt, the CEO should decide the matter, in consultation with the Commission, wherever felt necessary by him.

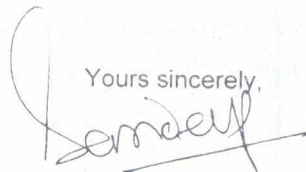

(e) **Provision of adequate fund**

Adequate fund for carrying out the revision work should be made available to the CEO.

The Commission has been getting your full cooperation in all election related matters in the past and expects the same cooperation from you for the forthcoming Summary Revision of Electoral Rolls.

It is requested that copies of the instruction issued by you to the concerned authorities in the State in this regard may kindly be sent to the Commission, for its information and record.

With regards,

Yours sincerely,

No. 23/2016-ERS (Vol.III)

Dated: 12<sup>th</sup> August, 2016

To

The Chief Electoral Officers of  
All States and Union Territories.

Subject:- Special Summary Revision of Photo Electoral Rolls w.r.t. 01.01.2017 as qualifying date –  
Programme in all States/UTs except certain Assembly Constituencies of Andhra Pradesh and  
Telangana - regarding.

Sir/Madam,

I am directed to state that as per existing policy, revision of electoral rolls with reference to 1<sup>st</sup> January of the coming year as the qualifying date is done in later part of each year in all States/UTs (normally in the last quarter of a year) so that final publication of the electoral rolls could be made in the first week of January of the succeeding year. The revision schedule is prepared in such a manner that the electoral rolls are finally published well before National Voters' Day (25<sup>th</sup> January of every year) so that EPICs generated for new electors especially young voters (18-19 years) can be distributed to them in ceremonial manner on the day of NVD.

2 As the revision of electoral rolls actually starts with draft publication of electoral rolls, various pre-revision activities are required to be completed with the sole intention of achieving high fidelity electoral rolls. This year most of the pre-revision activities like Training and Orientation of EROs/AEROs, Appointment of Booth Level Officers (BLOs) and their Training and Orientation, Rationalization of Polling Stations, De-duplication campaign to remove duplicate entries in the electoral roll, Photography campaign for residual electors whose images are not available in the roll (H2H campaign to collect images of residual electors), Preparation of CEO's website for draft publication of integrated rolls and providing search facility, Standardization of search facility at website, updating of Control Tables (including polling stations updating) and database and integration of rolls (irrespective of whether it is election or non-election year), preparation of detailed action plan for SVEEP etc. have been included in the National Electoral Roll Purification (NERP) programme, and are currently going on in all the States/UTs. The NERP activities are to be completed by 15<sup>th</sup> September 2016 as per schedule of the programme already intimated vide letter No.23/2016(NERP)-ERS dated 14.07.2016. Needless to mention that any slippage in NERP targets/timelines would be seriously taken by Election Commission of India. It is further reiterated that the draft rolls shall have improved nazri naksha (digital on google map), (see NERP guidelines); the hand drawn map would not be acceptable to ECI.

3. The Commission has decided to take up revision of electoral rolls with reference to 1<sup>st</sup> January 2017 as the qualifying date. The revision shall be a Special Summary Revision in all States and Union Territories (Except the Assembly Constituencies of Andhra Pradesh and Telangana as per list attached) and shall be undertaken as per the schedule annexed to this letter, in accordance with the instructions contained in ERO's Handbook, 2012 along with subsequent instructions with regards to revision of electoral rolls /registration of electors, issued from time to time by the Commission.

4. Adequate publicity and awareness drive shall be ensured by DEOs & CEO regarding the summary revision programme. All the DEOs and CEO shall get the revision schedule properly disseminated to media, political parties and social organizations/RWAs and reach out to electors/eligible population extensively well before the date of draft publication of electoral rolls. For making the purpose of publication of draft rolls effective, series of SVEEP events, multiple and periodic meetings with political parties at Taluk, district and state levels and regular press meets may be organized. All DEOs and CEO shall separately call meetings of political parties and explain the schedule and seek cooperation expected of them before the date of draft publication. The draft publication should be done on the due date with fanfare and the copies of draft rolls should be handed over to political parties in public meeting in the presence of press, media and celebrities. In any case, proper acknowledgement receipt must be obtained and kept in record.

5. CEOs will request to the recognized political parties to appoint/identify a Booth Level Agent (BLA) for each polling booth/stations who would be associated with the Special Campaign for Roll Revision process on special campaign dates along with BLOs. On these Special Campaign dates, the BLO will go through the draft electoral roll with BLAs of recognized political parties of State concerned and identify the corrections, etc. It is pertinent to mention that BLAs once appointed from a recognized political party will continue as BLA, unless their appointment is rescinded /revoked by the political party concerned.

6. In addition to Divisional Commissioners, who shall act as Electoral Roll Observers for districts comprised within their Divisions, the Commission may depute its observers/ECI officers/roll auditors to randomly check, audit and supervise the revision process. Hence, it is absolutely essential that all roll related records should at all times be kept up to date and reports of progress as well as lists of the locations where field operations are in progress should be made available to them.

7. The electors' information in prescribed Formats 1-8 related to draft publication of the electoral roll shall be furnished by the Chief Electoral Officer along with his studied comments and explanatory memoranda to the Commission well before draft publication. Every DEO/ERO will do the similar study for his/her District/Assembly Constituency and forward the same to the CEO and also keep this ready for reference by Roll Observer/CEO.

The Chief Electoral Officer shall take prior written clearance of the Commission for final publication of the electoral rolls. A request to that effect shall be made to the Commission by the Chief Electoral Officer along with Formats 1-8 by 20<sup>th</sup> December, 2016 and with Formats 1-8, memoranda/note on how the roll revision process has achieved the targets fixed and the strategy to address any shortfalls during continuous updating may also be furnished. This should, in any case, be done at least 7 days before the date of final publication, so that clearance of the Commission may be conveyed at least 3 days before the date of final publication. CEOs may kindly take a note that non furnishing of this note would be seen with displeasing note by ECI.

9. It may be further noted that all communications and clarification relating to the revision should be addressed to the Pr. Secretary/Secretary (in charge of the State/UT) of ECI who will not only reply to the CEO concerned without any delay but also ensure that there is no slippage in the roll revision programme of the States under their charge. They will closely monitor the pre-revision activities and roll revision programme of their respective States/UTs so the CEOs must forward requisite report on progress of revision process at regular interval.

10. In order to facilitate the stakeholders and bringing more transparency in the process of electoral registration, the practice of computerization and posting of all application forms received in Forms 6, 6A, 7, 8 and 8A on the website of the CEO on a day to day basis shall continue. The status of each application form should be clearly visible on each row of the list. Further, the web application used for this purpose should also provide a facility, that on clicking on any row in the list, the concerned application form can be printed by any citizen.

11. **Periodic reporting to the Commission of progress made during the revision process in the prescribed Formats available at ECI dashboard shall also be done regularly and in accordance with the procedure laid down therein. The CEO must check it to ensure its status. At all DEOs/EROs do the necessary entries in the dash board for e-roll monitoring and in All India E-roll Monitoring Application (AIERMA). The Commission has generally observed that there is avoidable laxity in this regard. It is reiterated and reiterated for absolute compliance by all that dash board has to be kept updated. If not then the concerned officer shall expose him /her to disciplinary actions.**

12. With a view to ensure more involvement of political parties, the Commission has allowed BLAs of a recognized political parties to file applications in bulk, subject to the condition that a BLA shall not submit more than 10 Forms to BLO at one time/in one day. If a BLA files more than 30 Applications/Forms during entire period of filing claims and objections, then the cross verification must be done by ERO/AERO themselves. Further, the BLA will also submit a list of application forms with a declaration that he has personally verified the particulars of the application forms and is satisfied that they are correct.

8

The following guidelines are reiterated/prescribed for this exercise:-

13. Display of list of claims and objections- (a) List of all claims and objections received should be put up on the website of CEO so that anybody including political parties and candidates are able to see this list and lodge objections with the concerned ERO. In addition to this –
- i. Adequate publicity should be given by CEO to the fact that list of claims and objections is available on his/her website and objections can be raised before the EROs based on this list.
  - ii. CEO, all DEOs and all EROs should hold meetings with political parties and inform them about the publication of list of claims and objections on CEO's website and the latest instructions of the Commission about disposal of claims and objections.
  - iii. Political parties should be informed in writing by the CEO/DEO/ERO about publication of list of claims and objections on CEO's website.
  - iv. List of claims and objections should be made available by ERO to all political parties on weekly basis. For this purpose, the ERO should call a meeting of all political parties on regular interval and personally handover list of claims and objections to them and obtain acknowledgment. It is to be added that the list should be incremental instead of cumulative.
- b. Decisions on Claims and Objections - Decision on claims and objections should be taken only after all of the following has been done–
- i. At least seven clear days' period has passed after list of claims and objections has been published on all of the following –
    - (1) Website of CEO as clickable lists for each polling station
    - (2) Notice board of ERO (In Forms 9, 10, 11 and 11 A of RERs 1960)
    - (3) Notice board of polling station (In Forms 9, 10, 11 and 11 A of RERs 1960)
    - (4) A personal notice has been served on the person whose name is proposed to be deleted in cases other than death cases.
  - ii. At least seven clear days have passed after ERO has given the list of claims and objections to political parties.
  - iii. All deletions which are done for reason of death shall be made only after ascertaining the facts to the satisfaction of ERO.
- c. Verification before decisions on deletions –
- i. All deletions except those which are done for reason of death of the elector should be verified by an officer not below the rank of Tehsildar before final order is passed on Form 7.

9

ii. All cases of deletions must be cross verified by an officer senior to the ERO if they fall in any of the following categories: -

(1) Deletions in polling stations where the number of deletions exceed 2% of the total electors in the voters' list of the polling stations.

(2) Deletions where the same person is the objector in more than 5 cases.

iii. Cases of deletions except deletions by reason of death of the elector in which orders are passed by ERO, should be cross verified by supervisory officers in the following manner:-

(1) 2 % verification by Deputy DEO or equivalent officer.

(2) 1 % verification by DEO.

(3) 0.5 % verification by Electoral Roll Observer.

d. Monitoring - Monitoring report in the prescribed format as available at Electoral Roll Monitoring Application at CEO's portal shall be updated periodically by the CEO/DEO/ERO as the case may be. CEO shall compile the report and send it to the Commission with his/her comments. The DEO/CEO shall make all efforts and shall personally ensure that data entry in All India E-Roll Monitoring Application in ECI portal through CEO's portal.

14. It is further clarified that NERP activities shall continue concurrently with revision. However, it must not cause any dislocation to roll revision activities which are statutory in nature. At the time of draft publication, the CEOs shall send a note on progress made in NERP activities till that time. In the publicity materials, both activities should be focused in an appropriate manner.

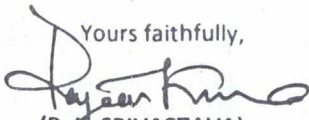

15. The CEO should write to all recognized national and state level political parties informing them the important points of the law and procedures of the revision and seek their cooperation in the roll revision exercise. A copy of letter issued to them may be endorsed to the Commission for record.

16. Preparation of Elector Photo Identity Card (EPIC) for those getting enrolled on the basis of becoming 18+ for the first time may be done latest by 20<sup>th</sup> January 2016 and be handed over to BLO/ERO/DEO etc by 22<sup>nd</sup> January 2016 for ceremonial distribution on 25th January 2016, the National Voters' Day.

17. The CEOs and all officers are further requested to extensively use the e-mail facility for prompt and accurate exchange of communication.

18. A copy of this letter should also be circulated to the DEOs/EROs in the State for taking immediate appropriate necessary action.

Please acknowledge receipt.

Yours faithfully,
