Dear **Shri Parimal Rai**

No. 2009... PS/AA

PS/HGI/ 2009

Dated 13/06/17

The 28th Meeting of the Northern Zonal Council was held at Chandigarh on 12th May, 2017 under the Chairmanship of Hon'ble Union Home Minister. Minutes of the above meeting have already been issued.

In the meeting, Hon'ble Administrator, Chandigarh raised the following issues which were not part of the agenda:

- Punjab University has a glorious past, a world-class infrastructure and learned faculty but is facing numerous issues, primarily of status and financial resources and these need to be resolved.
- The tremendous pressure on OPD and other services in PGIMER, Chandigarh, is a matter of concern and needs to be look into.
- Preserving Sukhna Lake has become difficult for which the U.T. needs the assistance and support from its neighbouring States.
- To prevent traffic congestion within the city, there is a compelling needs to create a Ring Road/by-pass around Chandigarh. This will also provide better connectivity to the International Airport.
- The Chandigarh Master Plan, 2031 should be implemented with an understanding and coordination between the three partners in development (Punjab, Haryana and Union Territory of Chandigarh), for sharing key responsibilities for locating some of the spill over infrastructure components of Chandigarh in their territory and to reduce the pressure on its limited land bank.
- The existing mechanism of inter-State Police cooperation needs to be bolstered. A state-of-the art Command and Control Centre for managing the law & order, fire, disaster, health hazards etc. is already planned under the Smart City Project for Chandigarh which requires active coordination between all the stakeholders.
- Government of Punjab and Haryana to give consent to release additional 40 MGD of raw water to Chandigarh from Bhakra Main Line at Kajauli.

I shall be grateful, if you could kindly send a detailed background note on the above issues of any other fresh issue, which the State Government may like to raise in the next Zonal Council meeting, so that comments/views of member States and concerned Central Ministries/Departments in the matter may be obtained for preparation of agenda for the next Zonal Council meeting.

With regards,

Yours sincerely,

(R. BUHRIL)
