To

The Chief Electoral Officers of
All States and Union Territories,
(Except Gujarat and Himachal Pradesh).

Subject: - Special Summary Revision of Photo Electoral Rolls w.r.t. 01.01.2018 as qualifying date -
Programme - regarding.

Sir,

I am directed to state that as per existing policy, revision of electoral rolls with reference to 1st January of the coming year as the qualifying date is done in later part of each year in all States/UTs (normally in the last quarter of a year) so that final publication of the electoral rolls could be made in the first week of January of the succeeding year. The revision schedule is prepared in such a manner that the electoral rolls are finally published much before National Voters' Day (25th January of every year) so that EPICs generated for new electors especially young voters (18-19 years) can be distributed to them in ceremonial manner on the day of NVD.

2. As the revision of electoral rolls actually starts with draft publication of electoral rolls, various pre-revision activities are required to be completed well before the actual commencement of Revision of Electoral Rolls with draft publication of electoral roll with the sole intention of achieving high fidelity electoral rolls. Accordingly, pre-revision activities like Training and Orientation of EROs/AEROs, Appointment of Booth Level Officers (BLOs) and their Training and Orientation, Identifications of critical gaps/deviations in electoral rolls and strategy to bridge/remove the same, deletion of identified multiple entries/dead electors entries after service of due notice, De-duplication campaign to remove duplicate entries in the electoral roll, Rationalization/modification of Polling Stations (including standardization and mapping of polling stations, determination of parts/section boundaries, optimization of sections and preparation of improved digital maps of polling areas), Photography campaign for residual electors whose images are not available in the roll (H2H campaign to collect images of residual electors), Preparation of CEO's website for draft publication of integrated rolls and providing search facility, Standardization of search facility at website, updating of Control Tables (including polling stations updating) and database and integration of rolls (irrespective of whether it is election or non-election year), preparation of detailed action plan for SVEEP etc. have been planned by the States/UTs in pursuance of the Commission's letter No.

Page 1 of 6

23/LET/ECI/FUNC/ERD-ER/2017 (VOL.II), dated 2nd August 2017 and the schedule, for pre-revision activities, fixed so, has to be strictly followed for its successful completion before draft publication of electoral rolls. A detailed report on completion of pre-revision activities shall be sent by the Chief Electoral Officer to the Secretary in charge of the respective State in the Commission.

3. As the Commission has decided to use VVPAT in all the future elections, no relaxation /deviation will be allowed in the upper limit of 1200 and 1400 electors in rural and urban polling stations respectively. The Commission has, therefore, directed all the polling stations with electors beyond the said upper limit will be invariably rationalized/modified as a pre-revision activity. For the rationalization/modification of Polling Station, rationalization of the part boundaries will be done as per the Commission's direction on upper ceiling of number of electors in urban and rural area and creation of new Polling Station shall be resorted to only after rationalizing the sections to adjacent Polling Station. Proposal on change of location shall be sent to the Commission only after physical verification/inspection of all the Polling Stations and along with its Longitude and latitude. Latitude and Longitude of all Polling Stations, newly identified and proposed for creation/change of location of Polling Stations shall be captured and details of the same shall be updated in the Dashboard.

4. The Commission has decided to take up revision of electoral rolls with reference to 1st January 2018 as the qualifying date. The revision shall be a Special Summary Revision in all States and Union Territories (except Gujarat and Himachal Pradesh) and shall be undertaken as per the schedule annexed to this letter, in accordance with Manual on Electoral Roll, 2016 along with subsequent instructions with regards to revision of electoral rolls /registration of electors, issued from time to time by the Commission. No change in the dates in the schedule approved by the Commission will be permitted.

5. Adequate publicity and awareness drive shall be ensured by DEOs and CEO regarding the summary revision programme. All the DEOs and CEO shall get the revision schedule properly disseminated to media, political parties and social organizations/RWAs and reach out to electors/eligible population extensively well before the date of draft publication of electoral rolls. For making the purpose of publication of draft rolls effective, series of SVEEP events, multiple and periodic meetings with political parties at Taluk, district and state levels and regular press meets may be organized. All DEOs and CEO shall separately call meetings of political parties and explain the schedule and seek cooperation expected of them before the date of draft publication. The draft publication should be done on the approved date with due fanfare publicity and the copies of draft rolls should be handed over to recognized political parties in public meeting in the presence of press and media. In any case, proper acknowledgement receipts from the representatives of political parties must be obtained and kept in record.

6. The CEO should write to all recognized national and state level political parties informing them the important points of the law and procedures of the revision and seek their cooperation in the roll revision exercise. A copy of letter issued to them may be endorsed to the Commission for record.

7. CEO will request to the recognized political parties to identify and appoint Booth Level Agent (BLA) for each polling station who would be associated with the Special Campaign for Roll Revision process on special campaign dates along with BLO. On these Special Campaign dates, the BLOs will go through the draft electoral roll with BLAs of recognized political parties of State concerned and identify the corrections, etc. It is pertinent to mention that BLAs once appointed from a recognized political party will continue as BLA, unless their appointment is rescinded /revoked by the political party concerned.

8. In addition to Divisional Commissioners, who shall act as Electoral Roll Observers for districts comprised within their Divisions, the Commission may depute its observers/ECI officers/roll auditors to randomly check, audit and supervise the revision process. Hence, it is absolutely essential that all roll related records including reports of progress as well as lists of the locations where field operations are in progress, should be kept up to date and made available to the observers.

9. The electors' information in prescribed Formats 1-8 related to draft publication of the electoral roll shall be furnished by the CEO along with his studied comments and explanatory memoranda to the Commission well before draft publication. Every DEO/ERO will do the similar study for his/her District/Assembly Constituency and forward the same to the CEO and also keep this ready for reference by Roll Observer/CEO. CEOs shall adopt the same methodology for estimation of projected 18+ population (age cohort wise) on 01.01.2018 as prescribed by the Commission during the recently concluded Special Drive, 2017. The State/UT, who is at variance with the methodology, as suggested by the Commission, may use their own methodology, if they feel that it is more scientific and realistic in context of the concerned State and in such case CEO has to mention about the rationale behind keeping existing methodology in the Format 1-8.

10. The CEO shall take prior written clearance of the Commission for final publication of the electoral rolls. A request to that effect shall be made to the Commission by the Chief Electoral Officer along with Formats 1-8 by 20th December, 2017 and with Formats 1-8, memoranda/note mandatorily on how the roll revision process has achieved the targets fixed and the strategy to address any shortfalls during continuous updating may also be furnished. This should, in any case, be done at least 7 days before the date of final publication, so that clearance of the Commission may be conveyed at least 3 days before the date of final publication.

11. It may further be noted that all communications and clarification relating to the revision should be addressed to the Pr. Secretary/Secretary (in charge of the State/UT) in the Commission who will not only

reply to the CEO concerned without any delay but also ensure that there is no slippage in the roll revision programme of the States under their charge. They will closely monitor the pre-revision activities and roll revision programme of their respective States/UTs therefore, the CEOs must forward requisite report on progress of revision process at regular interval.

12. In order to facilitate the stakeholders and bringing more transparency in the process of electoral registration, the practice of computerization and posting of all application forms received in Forms 6, 6A, 7, 8 and 8A on the website of the CEO on a day to day basis, shall continue. The status of each application form should be clearly visible on each row of the list. Further, the web application used for this purpose should also provide a facility, that on clicking on any row in the list, the concerned application form can be printed by any citizen.

13. DEOs/EROs shall do Periodic reporting of progress made during the revision process regularly by making entries in prescribed Formats available at ECI dashboard, in accordance with the procedure laid down therein. The CEO shall check it to ensure its up to date status. It is reiterated for absolute compliance by all the concerned that dash board has to be kept updated at all times. Any lapse on part of the concerned officer shall expose him /her to disciplinary actions.

14. With a view to ensure more involvement of political parties, the Commission has allowed BLAs of a recognized political parties to file applications in bulk, subject to the condition that a BLA shall not submit more than 10 Forms to BLO at one time/in one day. If a BLA files more than 30 Applications/Forms during entire period of filing claims and objections, then the cross verification must be done by ERO/AERO themselves. Further, the BLA will also submit a list of application forms with a declaration that he has personally verified the particulars of the application forms and is satisfied that they are correct.

15. Further, the following guidelines are reiterated/guidance and for/compliance of all the concerned Officers involved in revision exercise:-
