DEPARTMENT OF FORESTS & WILDLIFE
CHANDIGARH ADMINISTRATION

NOTIFICATION

The 4 December, 2017
January 2018

LADA
331757
22 JAN 2018

No. 114 - In exercise of the powers conferred by Sections 41, 42, 51 and 76 of the Indian Forest Act, 1927 (Central Act No.16 of 1927) and all other powers enabling him in this behalf, the Administrator of UT Chandigarh is pleased to make the following rules for regulating the operation of Saw Mills, Veneer and Plywood Industries in the Union Territory of Chandigarh, namely:-

RULES

1. **Short title and commencement.**

- (1) These rules may be called the "Chandigarh Regulation of Saw Mills, Veneer and Plywood Industries Rules, 2017".
- (2) They shall come into force on and with effect from the date of their publication in the Official Gazette.

2. **Definitions**

- (1) In these rules, unless the context otherwise requires –

- (a) "Act" means the Indian Forest Act, 1927 (Central Act No.16 of 1927);
- (b) "Deputy Conservator of Forests" means Deputy Conservator of Forests in the Union Territory of Chandigarh;
- (c) "Form" means the Form appended to these rules;
- (d) "Licence" means the licence issued under these rules;
- (e) "Chief Conservator of Forests" means Chief Conservator of Forests, UT Chandigarh;
- (f) "Saw Mills, Veneer and Plywood Industries" shall include timber depots, saw mills, veneer, plywood including units without any facility for veneer production, particle board, MDF, block board, paper pulp, rayon and any other unit of cutting or converting timber for manufacturing wood based products;
- (g) "Section" means section of the Act;
- (h) "State Government" means the Government of the UT Chandigarh; and

- (2) The words and expressions used in these rules, but not defined, shall have the same meanings as assigned to them in the Act.

3. **Restriction on establishment of Saw Mills, Veneer and Plywood Industries**

No person shall establish, expand installed capacity or operate any Saw Mills, Veneer, Plywood Industries including the existing unit, unless a licence is obtained by him in accordance with these rules.

4. **Application for grant of licence**

Any person, seeking a licence under these rules, shall make an application to the Deputy Conservator of Forests, UT Chandigarh in Form-I (*enclosed herewith*).

5. **Grant of licence**

On receipt of an application under Rule 4, the Deputy Conservator of Forests, shall make such inquiry, as he deems fit and after satisfying himself that such application is in accordance with the guidelines issued by the UT Government from time to time, may grant licence in the Form II (*enclosed herewith*), for a period of 1 year or may refuse to grant the licence for the reasons, to be recorded in writing and inform the applicant, accordingly.

6. **Fee for grant of licence**

The person seeking licence shall pay such fee, as may be specified by the UT Administration from time to time, by notification in the Official Gazette.

7. **Renewal of licence**

1. Any person who has been granted licence under rules, may apply for renewal of the licence in Form I within a period of six months before the expiry of the period for which licence was granted to him alongwith such fee, as may be specified by the UT Administration from time to time, by notification in the Official Gazette.
2. On receipt of an application under sub-rule (1), the Deputy Conservator of Forests, after satisfying himself that such application is in accordance with the guidelines issued by the UT Administration from time to time, shall renew the licence within a period of thirty day for the period, for which it was originally granted.
3. In case, the renewal of licence is refused, the Deputy Conservator of Forests shall provide an opportunity of being heard to the person concerned and record the reasons for refusing such renewal.

8. Maintenance of record.

- (1) Every licensee shall maintain proper record of the receipt and disposal of timber in Form III (*enclosed herewith*).
- (2) The licensee shall produce the record for scrutiny and checking of the timber, whenever it is required by the Deputy Conservator of Forests or any other officer authorized by him.

9. Power to search the premises

The Deputy Conservator of Forests or any other officer authorized by him, may at any time, enter the premises of licensed saw mills, veneer, plywood industrial unit with a view to ascertain the genuineness of the licence or to check the timber.

10. Revocation of licence

Notwithstanding anything contained in these rules, the Deputy Conservator of Forests, where he has reasons to believe that the licensee is operating the Saw Mills, Veneer, Plywood Industry in contravention of the provisions of these rules or conditions of the licence or the licensee is indulging in activities prejudicial to the interest of forest conservancy, may after giving the licensee an opportunity of being heard, cancel, suspend or revoke the licence granted under these rules.

11. Appeal against the refusal or renewal to grant licence or revocation of licence

- (1) Any person, who has been refused to grant licence under Rule 5 or renew licence under Rule 7 or whose licence has been revoked under Rule 10, may within a period of thirty days from the date of the receipt of information of such refusal or revocation, as the case may be, may appeal to the Chief Conservator of Forests against such refusal.
- (2) On receipt of the appeal filed under sub-rule (1), the Chief Conservator of Forests shall decide the same after giving the person concerned an opportunity of being heard.
- (3) The decision of the Chief Conservator of Forests on such appeal shall be final.

12. Penalty

Whoever contravenes any of the provisions of these rules, shall be punishable with imprisonment for a term, which may extend to six months or with fine, which may extend to two thousand rupees or with both.

13. Saving

Nothing contained in these rules shall apply to the ordinary operations of domestic carpentry, furniture making units, wooden toy and handicraft making units, charcoal making units and firewood depots, which do not use or have the facility for sawing, converting, cutting and processing round timber.
