HOSPITAL ADMINISTRATION BRANCH-II**ORDER**

It has been decided by the competent authority that the specific authorization for the prescribed antibiotics should be started in the individual department in terms of which antibiotic should be prescribed by the residents and which should be prescribed by the consultants. This policy should be designed at the level of the department and each department will make its policy by making a sub-committee in their department on this issue. Each deptt. should provide with a list of antibiotic spectrum which is being used in their department not later than 15 days. The Microbiology laboratory should work during night hours also.
