**Subject: IPv6 transition guidelines/timelines of National IPv6 development role ver-II**

As you aware that IPv4 addresses for internet protocol has been almost exhausted, therefore DoT, Govt. of India, being the Nodal Department of IPv6 transition in the country, has been constantly working with all the stakeholders for smooth transition to the Next Generation Internet Protocol i.e. IPv6 in a phased and time bound manner to facilitate the technology enabler for smart services and achieve the goal of Digital India.

Accordingly, 'National IPv6 Deployment Roadmap version-II', a document containing policy guidelines for IPv6 transition in a phased and time bound manner as per National Telecom Policy (NTP)- 2012, was released by DoT in 2013. The IPv6 transition guidelines/timelines of Roadmap v-II can be downloaded from <http://dot.gov.in/ipv6-transition>.

Further you are also requested to ensure procurement of equipments which are IPv6 Ready (Dual Stack) and go for deployment of IPv6 ready (Dual Stack) networks with end to end IPv6 supported applications. The equipment should be either TEC certified or IPv6 Ready Logo certified.

Director, Information Technology  
Chandigarh Administration
