All Head of Departments, Chandigarh Administration. the many

Subject:- Checklist for obtaining concurrence/approval of the Finance Department.

I am directed to address to the subject cited above and to say that as per delegation of financial powers, the expenditure/financial proposals are submitted by the various departments to the Finance Department for obtaining the concurrence/approval. It has been observed that number of times, such proposals are incomplete and therefore, referred back for clarifications. This lead to unnecessary delay. Resultantly, the possibility of lapse of funds may not be ruled out particularly at the fag end of the financial year. In order to ensure that all such proposals are complete in consonance with the provisions as contained in General Financial Rules and the Delegation of Financial Power Rules, checklist separately for procurement of goods/equipment and for outsourcing of manpower/activity have been prepared and are sent herewith.

It is requested that while sending any proposal to Finance Department for approval/concurrence, the checklist duly filled in and signed by the responsible officer should invariably be furnished along with the proposals. These instructions may please be followed meticulously.

Superintendent Finance-II for Finance Secretary, Chandigarh Administration.
