**Subject:- Success Stories for documentation by Doordarshan/AIR - reg.**

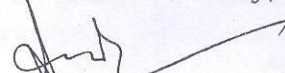

Sir/Madam,

This is with reference to this Ministry's letter dated 10<sup>th</sup> July, 2013 on the subject cited above. As you are aware, that the Ministry of Information and Broadcasting, through Doordarshan and All India Radio, will make documentaries/ features on success stories of various Ministries including the Health Ministry. This Ministry is, therefore, in the process of compiling success stories under NRHM. These success stories should contain the following aspects:

1. Name of the Flagship Scheme.
2. Location of specific intervention under the scheme that has led to the success.
3. Intervention: funds given, facilities created etc.
4. Beneficiaries (It can be single beneficiary or a group/village/ bigger areas).
5. Impact of intervention in qualitative and quantitative terms.

In view of above, it is requested that a half page/one page write up of such success stories may please be furnished urgently for onward transmission of the same to the concerned authority.

Yours faithfully,

(Dr. A.C. Verma)

Director (NRHM)
