REVISED CIRCULAR

Subject: Regarding implementation of Ward module under e-hospital

Ward modules have been implemented in all the wards. But still the patient information, stock entry and consumption of medicines are not being entered properly. Patients are not being discharged properly through HIMS. Few patients are being shown admitted even after their discharge from the wards.

All the HOD are requested to issue the following instructions to the staff working in the wards:-

1. Each patient should be discharged through HIMS. The doctors should discharge the patients at their own in case of leave/absence of DEO.
2. The concerned Nursing Sisters/officials should fill the indent performa electronically and should also receive the material online through e-hospital. The consumption of medicine should also be entered by them in e-hospital module. Manual register should be closed.
3. Bed allocation and transfer of patient should be done properly on dally basis. It should be done by the wards staff in case of leave/absence of DEO.
