ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashoka Road, New Delhi – 110001.

No. 464/L&O/2014/EPS

Dated: 11th April, 2014

To

The Chief Electoral Officers of all States/UTs

Subject: General Election to the Lok Sabha, 2014 – Protocol with regard to personnel who sustain injury or die during election duty-regarding.

Sir/Madam,

I am directed to refer to the subject cited and to state that millions of polling personnel / police personnel and large number of Central Para Military Forces are deployed on poll duty. Besides, a large number of private individuals like drivers, cleaners, etc., are also put on election related work. Thousands of polling personnel including security forces are deployed in some of the hazardous locations like LWE affected areas and they discharge their duties against all odds and severe threat to their life.

During current elections, CAPF personnel have come under attack and CRPF personnel in Bihar and Chhattisgarh attained martyrdom in the process of discharging their duties. In order to ensure their sacrifice is properly recognized and injured are properly cared, following action should be taken:

1. In case of any violent incident/attack involving polling personnel/police personnel/CAPF, the DEO and SP shall take all measures to ensure proper treatment to the injured. There shall be a minute to minute monitoring of evacuation and treatment process from the district control room.
2. The treatment should be personally monitored by the district administration and senior medical officers should supervise the treatment. Either DEO or a senior official shall visit the hospital and meet the injured personnel.
3. The family of the injured shall immediately be informed and arrangements should be made for proper coordination.
4. In case of violent attack or a serious accident resulting in death of any polling personnel/police personnel/CAPF or any other person engaged in election duty, the DEO and the senior officials of the district shall ensure that all formalities like post-mortem and shifting of dead body etc. are handled sensitively and without any delay. If the deceased person is from the local area or same district, DEO or a senior officer from the district administration shall visit the family of the deceased.

and meet the kith and kin and condole the death. The issues like compensation/ex-gratia payment should be coordinated.

5. In case, the deceased person is from some other district of the same State or some other State, information shall be given to the kith and kin immediately. The shifting of dead body to his native place should be coordinated alongwith visit of the senior officers/commandants concerned. The CEO of the State where the incident took place shall also inform the CEO of the State to which the deceased person belong, giving details of the address etc. The CEO concerned should ensure that a senior officer from the district administration meet the kith and kin of the deceased and convey the condolence of the Commission. The district officials should also coordinate the issues such as payment of compensation etc.

This may please be brought to the notice of all concerned.

Yours faithfully,

(SUMIT MUKHERJEE)
