CIRCULAR

A CAMC for the computer and computer peripherals including laptops has been entered for the year 2019-2021. The official of the concerned department should call the engineer at extension number 2112 to rectify any problem. The concerned department will intimate, in writing, to the HOD IT/System Analyst if the firm is not providing the service or not changing faulty keyboards or mouse or other component during the CAMC/Warranty period. In case of the above circumstances the HOD IT/System Analyst will then help in getting the machine repaired. All the HOD's/Incharge of the branches will issue the gate pass if the engineer is unable to rectify the problem at our premises and wants to take it to their company for repair. All the HOD's/Incharges will ensure that the same computer and computer peripherals is returned by the firm. A list of items under CAMC is enclosed with this circular.

Every department should maintain a log book having the following columns:

Serial No. of Device	Complaint Date	Booking Compl. No.	Attended Date/Time	Repaired Date/Time	Nature of Problem	Downtime	Engr. Name & Sign.
----------------------	----------------	--------------------	--------------------	--------------------	-------------------	----------	--------------------

The serial no. of Item (S.No. of Printer Head, Printer, UPS etc.) should also be noted down on the log book during the issue of gate pass. All the HOD's/Branch Incharges are requested to send the monthly report to the IT Centre, in case firm exceeded the time period to attend the call(copy of agreement enclosed), to enable us to deduct the penalty as per the clause mentioned in the agreement.
