**Subject:** Request for Faculty Deputation to Update Departmental Investigations/ Procedures in NextGen e-Hospital

GMCH is in the process of transitioning from the existing e-Hospital system to a Next Generation Hospital Information Management System. To facilitate this, the NextGen team has shared excel files containing all current investigations and procedures.

You are kindly requested to **nominate a faculty member from your department to visit the IT Centre on 26th June 2025 (Wednesday), between 9:00 AM to 5:00 PM**, to review and update your departmental investigations and procedures.

Your cooperation is essential to ensure a smooth and accurate migration to the new system.
