### **About Paediatric and Neonatal nurses forum, India**

PNNFI came into existence on 20th day of February 2018 under societies registration act XXI of 1860. This forum is a premier professional body dedicated to advancing excellence in pediatric and neonatal nursing and it brings together Paediatric and neonatal health professionals, researchers and educators from across the country, all committed to improving the care and outcomes of our youngest and most vulnerable population

### **About college of nursing, GMCH, Chandigarh**

The college of nursing has been started in 2014 in the premises of government medical college and hospital (GMCH), Sector 32, Chandigarh. This institute is one of its own kind in imparting the liberal education (intellectual, moral and physical) of international standards with a view towards all-round development of the students; to promote professional education in the field of nursing at Degree level and to cater to the needs of the people of state and country at large. The institute plans to further introduce courses in advanced and specialized nursing. This is an important landmark in the history of the Chandigarh administration, as this institute enjoys the status of being first government nursing college and its educational activities will lead to better health services and quality patient care.

On behalf of the organizing committee, it is with great pleasure that we extend a warm invitation to you to attend the 3<sup>RD</sup> Annual National Conference of Paediatric and Neonatal Nurses Forum of India 2025, in collaboration with College of Nursing, GMCH, Chandigarh to be held on 30.10.25 to 1.11.25.
